The Husky Standard

ATHLETES

- Lead with integrity, kindness, respect, and school pride.
- Arrive prepared, on time, and ready to follow safety directions.
- Encourage teammates; bullying, hazing, exclusion, and intimidation are not permitted.
- Accept coaching and performance assignments respectfully.

FAMILIES

- Support the full August-May commitment.
- Review official messages and meet deadlines.
- Provide timely transportation and pickup.
- Report injuries, health changes, contact changes, and absences promptly.

Academics and Attendance

- Athletes must maintain passing grades in every class; Harmony's current eligibility policy applies.
- Report absences as early as possible. Missed instruction may change a performance assignment for readiness or safety.
- Serious or repeated conduct, safety, bullying, harassment, or attendance concerns may affect routines, performances, probation, or continued participation under the team agreement.

Health and Safety

SAFETY FIRST - EVERY TIME

Athletes may not attempt unapproved stunts, tumbling skills, or movements without supervision. Coaches may modify or stop participation whenever an activity appears unsafe.

- Each athlete must have active health insurance for the season.
- Each athlete must have a current sports physical on file with Harmony. Families attest digitally; the examination record stays with the school.
- Families must disclose allergies, medications, health conditions, restrictions, inhalers, and emergency medications accurately and update changes promptly.

Communication and Pickup

- Use GroupMe and the official program email for team information.
- Handle concerns privately and respectfully. Except for urgent safety issues, wait 24 hours before discussing placements or coaching decisions.
- Families are responsible for transportation unless another arrangement is approved in writing.

- Athletes will be released only to authorized pickup adults and under Harmony dismissal procedures.

Registration Checklist

- Confirm the athlete's active insurance and that a current sports physical is on file with Harmony.
- Gather guardian, emergency-contact, authorized-pickup, sizing, and medical safety information.
- Review the participation, emergency, media, transportation, refund, and dismissal terms before signing.
- Choose \$310 paid in full or \$155 now plus \$155 due January 5, 2027.
- Save the Family Hub confirmation reference and Stripe receipt after submission.

Payment Notes

- Registration is limited to 30 girls for the 2026-2027 season. Complete the selected online payment to finish enrollment.
- Use the secure Family Hub payment portal. Stripe emails the guardian a receipt after checkout.

REGISTRATION CAP: 30 GIRLS

Use the Family Hub to submit one signup per athlete before the season cap is reached, download the registration packet, and continue to secure online payment.
